

## Research Workshop Series Fall 2016

### Funding Database Webinar - SPIN

To: Interested Faculty, Students and Staff  
From: Tara Burke, Director, Research Development 301.405.4178; [tburke13@umd.edu](mailto:tburke13@umd.edu)  
Re: **SPIN Funding Database Overview**

**Webinar Workshop dates:** (Information presented is the same on all three days – pick only one date)

**September 6, 2016 from 10-11 am**

**Or**

**September 12, 2016 from 9-10 am**

**or**

**October 6, 2016 from 2-3 pm**

Where: Online – at your desk

With: Bill DeCocco, InfoEd

**RSVP to:** <http://go.umd.edu/SPIN2016> (first 25 to sign up for each date)

InfoEd's main page: <http://www.infoedglobal.com>

**Goals:** Provide an overview of the SPIN funding database and an opportunity for supported hands on investigation of faculty and discipline specific keyword searches.

**Audience:** All interested faculty, staff, and students are welcome to attend. The class is limited to 25 participants on a first come, first serve basis.

**Harness the power of SPINPlus – the funding search database available to all UMD faculty, staff and students, free of charge.** The system provides a modern full-text search which is run against the company's proprietary database. Highlights include:

- Public (government – Fed and State) and private (foundations) funding opportunities
- Results are returned to the user in relevancy ranked format, and can be further sorted, grouped, or filtered
- Searches/funding profiles can be saved for future use
- Search results can be set up to send daily or weekly notification alerts
- Basic training video tutorials are available on the site

**Don't wait for the webinar!** Login today and try out your own searches. Use the attached Quick Start Guide or visit <http://www.ora.umd.edu/proposal-development/locating-funding> and download the SPIN Instruction Manual.
